DALIAN ECOCANE INTERNATIONAL TRADE CO., LTD is a leading manufacturer and exporter specializing in high-quality disposable wooden and bamboo products. With over a decade of expertise in the food service industry, we are committed to providing eco-friendly and sustainable alternatives to traditional plastic utensils.

Quality Assurance:

All our products comply with international standards and have undergone rigorous testing under **FSC (Forest Stewardship Council)**, **SGS** and **FDA** certificas. Our factory has successfully passed the **BRC (British Retail Consortium) BSCI** audit, ensuring the highest levels of safety, hygiene, and quality control in production.

Global Reach:

With a strong reputation for reliability and excellence, Ecocane serves clients across **Europe, the Americas, Australia, the Middle East, and beyond**. We work closely with distributors, wholesalers, and food service providers to deliver sustainable solutions that meet global demand for environmentally responsible products.

Our Mission:

At Ecocane, we believe in combining innovation with sustainability. By offering premium wooden and bamboo disposables, we aim to reduce plastic waste and promote a greener future for the food service industry.

For more information or partnership opportunities, please contact us. We look forwarder to serving you.
